

FUNDRAISING POLICY

Individual teams may conduct a fundraising campaign or seek a sponsor for the following:

- Tournaments
- Extra gears for players
- Training
- Other extra equipment
- Celebration party.

Team officials should invite all parents and players to discuss the fundraising or sponsorship request and have their approval. Parents are free to either participate in the fundraising or make a cash donation.

Before starting the fundraising or sponsorship initiative, the following has to be presented to MAC United management for approval:

1. Fundraising or sponsorship motivation.
2. What is the targeted dollar amount?
3. List of all parents participating.
4. Any resources needed for the fundraising?
5. Any new gear should only have The Club Logo.
6. List of sponsors – sponsors can have their name added to jerseys (for example) and be recognized on the website.

Fundraising will only start after the above list has been reviewed by the Management and approved.
