

Solicitation for service outside the Club

Individual teams may seek services outside the club, only in the event that the club does not offer that particular service.

- Technical training. (Not mandatory for recreational tiers 3-5)
- Camp
- Courses

Team officials should invite all parents and players to discuss the requested activity and have their approval.

Before engaging in this initiative, the following has to be presented to MAC United management for approval:

1. Type of service requested
2. Location and dates
3. Cost
4. List of parents and players approving and participating in this initiative.
5. Introduction of service provider – credentials.
6. For renewal of service a benefit analysis need to be presented.

Activity will only start after the above list has been reviewed by the Management and approved.
